Dear Your Honor,

My name is Cory Melvin and I am writing to request early termination of my supervision.

I have completed more than 1 year of my ordered supervision. I was ordered to complete 3 years of supervised release and I currently have completed 21 months. I maintain a stable residence, and have been employed full time since my release from prison.

I would like you to also know a few more important facts about me; I am married, have earned my class A CDL with Haz-Mat endorsement since my release, and I have great appreciation for the time I can now share with my family, especially my 10 year old granddaughter.

I've enclosed some additional accomplishments for your consideration;

Associates Degree in Business.

Commercial Driver's license.

HVAC certification.

Your Honor, please consider my request for early termination.

Sincerely,

A handwritten signature in black ink that reads "Cory L. Melvin". The signature is written in a cursive style with a large, stylized "C" and "M".
